**Re: Licence to Swing: The Music of James Bond**

Dear Ted:

Many thanks for allowing us the opportunity to recently present the world premiere concert performance of Licence to Swing: The Music of James Bond.

What a perfect way to 'bond' all the events of the previous days activities and end our symposium examining the world of 007 with a swinging tribute concert!

Great vocalists, great musicians and what fabulous arrangements! – all for our ears only! You are a delight to work with on and off the stage! I only hope that other organizations and presenters will take advantage of this unique presentation and book the concert as well.

Please do not hesitate to call upon me as a reference.

Sincerely,

Bob Spiotto
